Chocolate Cake Frosting

Search Request from Visitors to Old Recipe Detective Blog or Heritage Recipes

The Request: I am looking for a recipe for cake frosting. My mother said it was her favorite as a child, and I would like to make it for her on her birthday. All I know about it is that it was chocolate and it hardened. Like that stuff they put on ice-cream now. If anyone has this recipe I would greatly appreciate it! Thank You, Billie

Chocolate Cake Frosting

1/4 cup butter
1/4 cup milk
1 cup sugar
2 tbsp. cocoa powder

Just bring this to a boil for 30 seconds and allow to cool. Tastes like hot fudge, but hardens when it cools enough.
