## **Peter Paul Mounds Cake** **Old Recipe Detective Blog Request**

The request: I'm looking for a recipe for a chocolate cake. That has icing that looks like the inside of a mounds candy bar, with cherries added to the top. I'm thinking the name of the cake was Peter Paul Mount cake. Could someone please help me with this? Thank you, Patty

### Peter Paul Mounds Cake

Bake a 2-layer milk chocolate cake mix.

#### Filling:

1 cup sugar  
24 large marshmallows  
1 cup milk  
1 (7 ounce) package coconut

Cook milk, sugar and marshmallows until melted. Add coconut. Spread between layers and on top of cake.

#### Icing:

2 tablespoons cocoa or 2 squares unsweetened chocolate  
1/2 cup (1 stick) margarine  
16 large marshmallows  
1 box confectioners' sugar  
Milk

Melt together chocolate, margarine and marshmallows. Add powdered sugar and enough milk, if needed, to get to spreading consistency and ice the cake.
